Citizens Extends Business Hours at Village Green

Floyd, Virginia - Citizens Telephone Cooperative announced the expansion of business hours at its Village Green store. New hours of operation for Citizens at the Village Green are:

8 am – 7 pm Monday – Friday

9 am – 1 pm Saturday

“We want to be open when our customers need us” stated Greg Sapp, Citizens’ General Manager. “Our mission is to provide quality service, excellent support, and advanced technology. We do our best to meet the needs of our customers and opening at 8 am at the Village Green gives folks the convenience of shopping with us while they are in town during morning hours for breakfast or simply running errands.”

In addition, Citizens provides 24-hours technical and online support to accommodate customers’ needs at other times. “Providing our customers with convenient hours, and a variety of services and products is how Citizens continues to bring it all together for you” continued Sapp.
