

CitiZip Fiber to the Home Unlimited Plans

Some households have fewer devices and less need for Gigabit Internet speed. Some homes are less concerned about the benefits of Gig service and prefer to opt for lower speeds and avoid the chance of going beyond a data usage plan. We understand and are happy to offer UNLIMITED CitiZip Fiber Plans with various speeds to meet your needs.

When To Start?

Once fiber construction is complete in your area, start enjoying CitiZip Fiber Internet service!

Existing customers can migrate to the new service upon the completion of construction and testing. View our Fiber Map (citizens.coop/fiberexpansion) for estimated construction period.
