Dear Ms. Gowin:

You have recently requested information from us to assist you in your record keeping obligations respecting the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We hereby advise you that, despite captioning malfunctions of one minute and 39 seconds on BBC America, all of the above-referenced Networks' programming services satisfied the applicable closed captioning requirements specified in such regulations during the above-referenced calendar quarter.

In addition, during the above-referenced calendar quarter, the BBC World News programming service qualified for an exemption from the Closed Captioning Regulations as set forth in Section 79.1(d)(11).

We trust that this satisfies your request.

Sincerely,

Misan O. Ikomi
