**Re: Closed Captioning Programming
Certification of Compliance, 4th Quarter 2018**

- AMC Network Entertainment LLC (AMC)
- IFC TV LLC (IFC)
- WE tv LLC (WEtv)
- Sundance TV LLC (Sundance TV)
- New Video Channel America LLC (BBC America and BBC World News)

Dear Ms. Gowin:

You have recently requested information from us to assist you in your record keeping obligations respecting the closed captioning requirements set forth in Section 79.1 of Title 47 of the Code of Federal Regulations. We hereby advise you that, despite captioning malfunctions of twenty minutes and two seconds on WEtv, all of IFC, WEtv, Sundance TV and BBC America's programming services satisfied the applicable closed captioning requirements specified in such regulations during the above-referenced calendar quarter. On AMC, the 4:09am airing of the eleven-minute program short *Eli Roth's History of Horror: Master Class: Quentin Tarantino Interview* on 11/23 did not comply with the aforementioned closed captioning requirements during the above-referenced calendar quarter. Future airings of this program short will be in compliance.

In addition, during the above-referenced calendar quarter, the BBC World News programming service qualified for an exemption from the Closed Captioning Regulations as set forth in Section 79.1(d)(11).

We trust that this satisfies your request.

Sincerely,

Misan O. Ikomi
Vice President, Distribution
