

A Local Exchange Basic Service

A1. Service Description

Local exchange basic service provides calling options within and between the five exchanges specified herein. Each Exchange Service Area is identified on the maps contained in this Section. Depending on the member's choice of service, the Local Calling Area may include an individual exchange or combinations of several exchanges. Expanded local calling areas are offered in other sections of this manual. Exchanges available in the Local Calling Area are Alum Ridge, Ballard, Floyd, Locust Grove, and Willis. Rates are a combination of the service element rates involved. The rates for service and equipment not specifically shown in this section are presented in other sections of the RSM. Rates, excluding those for Semi-public Paystations, do not include the provision of any type station equipment or station connection.

A2. Definition of Terms

Dial Tone Line

A Dial Tone Line provides the necessary facilities from the central office up to and including the network interface device and allows access to the telecommunications network.

Monthly Usage Options

Monthly usage options provide customers with options for a type of local calling privilege other than being charged only on a per-call basis.

Unlimited Monthly Usage Option

No limit to the number of local calls per month for a flat rate.

A3. Measured Rate Services

Measured Rate Services provide for calling to stations within the local service area with each call charged for on a time-of-day, and length of message basis. Rates for messages are based on the time schedule as specified herein. Measured Rate Service is not offered in connection with Semipublic Telephone Service.

A4. General Application of Rates

The rates shown herein entitle the customer to local messages to all telephones bearing the designation of any central office of the exchanges included in the associated local service area. The rates for dial tone lines apply to each class of service as indicated. Charges for monthly usage options apply in addition to the charges for dial tone lines.
