Citizens Service Agreement __12 Month __24 Month __36 Month __0 Term

This is your copy of "Citizens' Service Agreement" between Citizens' Telephone Co-operative, Inc., and/or Cablevision Inc., and/or Selectec, Inc. hereafter either independently or jointly referred to as "Citizens", and you as a customer of Citizens. Please keep it for your records. Allowing Citizens to install its services indicates your acceptance of these terms and accordingly they will be legally binding on you.

- ☐ I will receive installation and equipment at no charge from Citizens in return for keeping Citizens' service for the selected term. I understand that if I disconnect my service for any reason, I will be **billed for any equipment and billed a pro-rated fee for any equipment and/or installation/activation I received free of charge.** Standard rates and fees apply.
- ☐ I will receive discounted pricing in a Citizens bundle by fulfilling the term of this agreement. This agreement will auto-renew at the end of the term. I understand if I decline renewal, a la carte pricing will apply.
- ☐ I choose not to enter into a contract and understand that installation fees will apply.

This contract is non-transferable and is unavailable in conjunction with any other promotion. Offer is subject to change without notice. Customer must maintain services throughout the subscribed term. After the original term is met, discount pricing will continue until there is a change in the subscribed service.

EQUIPMENT

Customer acknowledges that any equipment provided by Citizens is the property of Citizens, unless Customer enters into a separate written agreement to buy it, and makes full payment of the stated price. Customer agrees not to damage or misuse Citizens equipment and to return it to Citizens when Service is terminated, in the same condition as when installed, reasonable wear and tear accepted, and in reusable condition, consistent with any requirement of law. Return of equipment is required when terminating Service. If there is a separate written agreement for equipment purchase or lease, that agreement governs the Customer's rights with respect to such equipment. Should equipment be destroyed by customer, the customer is held accountable for full cost of equipment.

Equipment Cost:

Standard Definition (SD) Set-Top Box	\$125.00	Remote	\$ 10.00
High Definition (HD) Set-Top Box	\$125.00	Modem	\$ 95.00

NO TRANSFER

No Service or Citizens equipment may be transferred to another person without the prior written consent of Citizens. Service may not be shared with any person not a part of Customer's immediate household or in Customer's office.

NO WARRANTIES

Citizens makes no warranties, express or implied, in this document, or in any related agreement or otherwise, including but not limited to any warranty regarding the merchantability, fitness for any particular purpose, design, conditions of, or quality of the material or workmanship of any service or equipment.

LIMITATION OF LIABILITY

To the maximum extent permitted by law, Citizens disclaims liability for any claim, loss, damage or expense of any kind or nature arising from or in any manner related to the provision of the Service procured by Customer, or to any equipment, including without limitation any liability caused directly or indirectly by: (i) the inadequacy of the Service or equipment to serve the Customer's purposes; (ii) any deficiency or defect in the Service or equipment; (iii) the use or performance of the Service or equipment; (iv) any interruption or loss of Service, except where a credit or deduction is provided for by law or regulation; and (v) any loss of business, loss of profits or revenue, or any other consequential damages of any kind, whether or not resulting from any of the foregoing. Digital telephone is not a lifeline service; therefore, operation may be interrupted due to power outage or other natural disasters.

CERTAIN LOSS OF SERVICE DUE TO CUSTOMER

E911 ADDRESS INFORMATION

It is the mission of Citizens to provide you with quality service, excellent support and advanced technology. While your primary residence is listed as your E911 address in our records, Citizens strongly suggests that you contact the local E911 Office at **540-745-9352** to obtain a separate address for any barns, garages or dwellings that contain a phone line to ensure your safety.

By obtaining a separate E911 address for additional phone lines located on your property, emergency services will know exactly where to respond when 911 is called in the case of an emergency.
